# PRABHAT KUMAR

### React / MERN Stack Developer

Noida, Uttar Pradesh 201307 — +91 8294925485 — kprabhat628@gmail.com

GitHub — LinkedIn — Portfolio

## PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience building real-world web applications. Strong in frontend development using React.js, and backend development with Node.js, Express.js, and MongoDB. Experienced in developing RESTful APIs, authentication systems, and responsive user interfaces. Comfortable working on full-stack projects, from database design to deployment.

## TECHNICAL SKILLS

**Frontend:** React.js, Next.js, Redux, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap, React Router DOM
**Backend:** Node.js, Express.js, MongoDB, Mongoose, RESTful APIs, JWT Authentication, bcrypt, CORS, Environment Variables
**Tools & Platforms:** Git, GitHub, Postman, VS Code, Vercel, Netlify, Render, NPM, UptimeRobot
**Specializations:** Responsive Design, SEO Optimization, Performance Tuning, API Design, Database Management

## PROFESSIONAL EXPERIENCE

### Frontend Developer (React / JavaScript)                                         Oct 2024 – Jan 2026
*24e-services Pvt. Ltd., Delhi NCR, India*

- Developed and maintained responsive user interfaces using React.js, JavaScript (ES6+), HTML5, and CSS3
- Worked on frontend modules integrated with Laravel-based backend APIs
- Converted UI/UX designs into pixel-perfect and reusable React components
- Implemented responsive layouts using Tailwind CSS and ensured cross-browser compatibility
- Integrated RESTful APIs and handled dynamic data rendering on the frontend
- Improved frontend performance and user experience through optimized component rendering
- Collaborated with backend developers and designers to deliver scalable and maintainable frontend solutions

### Web Design Intern                                                               May 2024 – Aug 2024
*Paytel Financial Technologies Pvt. Ltd., Delhi NCR, India*

- Redesigned Cloude Data project, improving Google Lighthouse performance score from 65 to 92
- Developed 15+ responsive UI components enhancing user engagement by 30%
- Collaborated with designers to implement pixel-perfect UI/UX improvements

## PERSONAL PROJECTS

### FINNSAP IT Solution and Consulting — *Next.js 14, Tailwind CSS, SEO*                finnsap.com

- Developed production-ready SAP consulting website using Next.js 14 App Router and server-side rendering
- Achieved 95+ Google Lighthouse SEO score and 90+ performance score through advanced optimization
- Implemented dynamic routing, responsive design with Tailwind CSS, and React Slick carousels
- Managed complete project lifecycle from client consultation to deployment and delivery

### Likhooo - Notes Application — *MERN Stack, Real-time Sync*                        likhooo.vercel.app

- Built full-stack Google Keep-inspired note-taking application with React.js, Node.js, Express.js, and MongoDB
- Implemented complete CRUD operations with real-time data synchronization and responsive design
- Deployed with health check monitoring using UptimeRobot to prevent cold starts and maintain 99%+ uptime
- Designed lightweight architecture optimized for free-tier hosting with JWT authentication and bcrypt encryption

### Zipl - URL Shortener Platform — *MERN Stack, RESTful APIs*                       zipl.vercel.app

- Built production-ready URL shortening service using React.js frontend and Node.js/Express.js backend with MongoDB
- Implemented custom URL generation algorithm with collision handling and unique short code validation
- Designed scalable database schema with indexing for fast URL lookup and redirect operations
- Deployed on Vercel and Render with MongoDB Atlas, achieving 99%+ uptime
- Created analytics dashboard tracking click counts and geographic statistics
- Optimized API response times to under 100ms for redirects

## EDUCATION & CERTIFICATIONS

**Bachelor of Arts (BA)** – Babasaheb Bhimrao Ambedkar Bihar University
**MERN Stack Development Certification** – Ducat Noida
**Advanced Diploma in Computer Application (ADCA)**
